THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Hello Robin Hood Campers!

The yearbook has been completed and sent to the printer, and plans are being finalized for the New York City Reunion at Lucky Strike in Manhattan on December 2nd. We are so excited to see all of you, bowl a couple of rounds, and reminisce about the amazing summer of 2017.

There are several projects in the works at Camp Robin Hood this winter. The foundation is in place for the new Bunk 4 in girls camp which will mirror Bunk 5. Les and his crew are working hard to update the Realm all while preserving the Magic in the Trees. We can't wait to share it with you!

The Upper Court has been pulled up and the base has been put down for a new, upgraded basketball court in it's place. We know that there were many memories made and hard-fought games played on the upper court. The new one is sure to bring new memories and traditions as well.

We are busy interviewing and hiring staff for all departments. We are especially excited to welcome the Saxons and Scribes of 2017 as staff for the summer of 2018! They are going to be great counselors and add excitement and energy to everything we do. Along with making sure that we hire the best staff, we have also been busy recruiting new campers and bringing new friends to the Realm from all over the country.

Remember to work hard in school and thank your parents for sending you to camp. We hope to see you at Lucky Strike!

Best,

DC & Woody

Where are they now?

Hi everybody! I'm almost done with my first semester at Cornell University where I'm studying biology, public policy, and Spanish, with hopes to go to medical school. I'm also playing on the club lacrosse team which has been super fun and I love school so far. It's really great to be in Ithaca because it's a very outdoorsy town so it reminds me of camp! Talking to my campers and camp friends throughout the day makes not being at camp much more bearable. My new college friends already know every detail about camp and I couldn't be more excited to be going to the camp reunion in December and to be back at camp in June!

***Favorite camp memory:** My favorite memory from the summer was practicing and performing the awesome Tumbler Moana/Despacito dance at So You Think You Can Dance and Parents Visiting Day*

Hi everyone! I've been up to a lot of new things since the summer has ended. I am currently a freshman at Dickinson College in Carlisle, Pennsylvania, where I am studying psychology and educational studies. I am also on the track and field team here as a sprinter and jumper, so that's really fun to be able to continue into college. I'm really busy but having a great time!

***Favorite camp memory:** I think my favorite memory was doing dizzy penalty kicks with the Yeomen on the soccer field in the rain. That was hilarious! Miss you all a lot and can't wait for next summer in the realm!*

Remember When...

Baseball

Remember when we went to the Sanford Mainers game? Baseball is the quintessential summer sport and we always show our support to this great team. Go Mainers!

Casino Night

Remember when we had Casino Night in the afternoon? What was your favorite game?

Excursions

Remember when we packed up and went on excursions? TPJ's took on Storyland and the escape room stumped the Arrows. Better luck next time ladies. What is your favorite excursion memory?

Beach Day

Who could forget Beach Day? One of our favorite days of the summer, the weather was perfect and so are the memories.

Happy Birthday!
