THE OFFICIAL ALUMNI NEWSLETTER OF CAMP ROBIN HOOD

## Hello Fellow Alumni!

I hope this newsletter finds everyone happy and healthy. The NYC alumni reunion was a major hit and I promise to make it an annual tradition. It's was amazing to see so many familiar faces and catch up with so many of you. Those in attendance spanned the generations, from Chuck Illig- captain in 1969 and Steve Carlson - captain 1974 to Mikey Brockmann a recent 2018 captain. It's what makes CRH so special- we all share the same summer home and thankfully it hasn't changed its core principles and traditions in decades.

Although I will miss DC a ton this summer I am humbled and excited to lead the Realm. I have been busy adding people to our administration and making sure we stay young and energetic. I am happy to announce that Michelle Brockmann will be the Assistant Director and will also be taking over as head of Girls Camp. Sam Jonas will be coming on as our new head of Boys Camp. Assisting Michelle will be Julia Gilban-Cohen and Lauren Zipkin. Our campers will now have four people, all educators who really understand the adolescent mind, available to talk to them, to support them and to guide them through their camp experience. Sam, Julia, and Lauren will be out in the fields joining in activities, animating them and genuinely getting to know each camper. They will all be involved in the daily scheduling and will be able to tailor it based on their knowledge of the campers. Their youth, energy and experience both at school and as former campers/counselors at CRH will make them a valuable resource to our staff and our campers alike. We are so happy to welcome them back to the Realm in their new roles!

Last summer was perfect in many ways but my highlight is always the visiting alumni. Whether it be a random pop in or during color war - our campers love to hear the stories and want to have the lifelong connections to the Realm that you and your camp friends have.

The world changes so quickly every day but the ideals and values Andy dreamed about 92 summers ago still thrive in the Realm. It is those traditions and values that keep us so connected and I promise to continue to instill these in the continuing generations of campers.

We want to continue to stay in touch with you. Please take a moment to make sure that we have a good email address for you so that you can stay up date with the happenings at camp. If you no longer know your login information, send your email address to [Lizz@camprobinhood.com](mailto:Lizz@camprobinhood.com) and she will update your info in our system.

We would love for you to come visit with your family whenever you can to walk the waterfront and catch a sunset.
