THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Hello Robin Hood Campers!

Jonas, Lauren, and Gilban here! Although the cold winter months may make it seem as if days in the Realm are too far to touch, we're over two-thirds of the way through the school year and will be seeing each other in just three months! We couldn't be more excited to return to camp and continue to give you all the incredible experiences we had as campers and during our time on staff. Even though us three are all different ages and have never been in the same group, camp brought us together as lifelong friends - and that's what Robin Hood is all about!

Many people and many things have come and gone from the Realm, but what has always been and will continue to remain the same is the love we all have for our camp. The magic in the trees comes from the people that bring it to life -- in our Danish longball games or gaga challenges, cheering and dancing in the dining hall, running up to candy canteen for evening activity prizes... when we stay up just a little bit later to make the day seem just a little bit longer, sing and laugh at sunset campfires, or when we search the sky for shooting stars next to our best friends. Despite age, distance, and time, all of us who have spent beautiful summer days in the Realm are connected because camp raised us all in the same way.

What do you love about camp? What are you most excited for?! Let us know for a chance to be featured in the next newsletter!

We can't wait for summer 2019 with all of you!!!

Best,

- Sam, Lauren & Julia

Chris Burgess - SOCCER

Hi All! This school year I've been busy working hard in a manual labouring job alongside my usual soccer coaching activities, while also planning my next career path in the Royal Air Force.

I'm most looking forward to seeing the Foresters of 2019 after spending the two previous amazing summers with them. I also can't wait to be putting more 1st place trophies on the CRH shelves and being back in my favourite place, the Realm.

Sarah Curran - SYA

Hi everyone, its Scurran here! I am in the last semester of my senior year in high school. I'm sad to leave my home but I am extremely excited to start a new chapter of my life in college. After I left camp last summer, I travelled to Puerto Rico with a group of students to help the victims of the devastating hurricane. Then this fall I played #1 singles for my high school tennis team and I made First Team All State. In February I traveled to England with a CRH friend to meet up with four other CRH friends who live there!

I am very excited for camp to start this summer. I love teaching my campers all the camp traditions and guiding them to find the magic in the trees. Thoughts of jumping off the tower with my campers, getting our Secret Summer Sisters, and singing at Girls Camp Fire are things I am really looking forward to. Can't wait to see you all there!
