Camp Robin Hood

The Woodchuck

THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

2021

Dear Robin Hood Families,

As we watch the leaves fall off the trees and anticipate winter, remember... ONLY 218 days until we return to the Realm for Summer 2022.

As I travel the country talking about camp the same theme emerges... Robin Hood is filled with great, warm, and most importantly, kind people. I am so proud of the culture that has been fostered over 90+ summers.

We're busy putting final touches on the Summer 2021 Yearbooks and can't wait to get them in the mail shortly. Be on the lookout!

Remember to mark your calendar for December 12th. We're planning a Virtual Reunion to reconnect our all awesome friends at Camp Robin Hood. Keep an eye on your email for details on how to participate.

Please keep in touch and remember to thank your parents for giving you the opportunity to attend CRH. As always, be kind to each other and any stranger you come across. Each one of you can impact the world with your smile and enthusiasm...

Love always,

Woody

VIRTUAL REUNION

SUNDAY • DECEMBER 12, 2021

Watch your emails for more details and a zoom link.

2021 Remember When's

OPENING DAY

We were all so excited to be back at camp after 10 long months!

BEACH DAY

Our bubble kept us on Lake Ossipee again this year but that doesn't stop the fun. We brought the boardwalk and ice cream to us and played the day away.

JULY 4TH

Although we celebrated on July 5th, the excitement of the holiday could still be felt. We had a blast.

GREEN + WHITE BREAK

It felt like the Break was never going to happen but we were "Livin on a Prayer" and it finally arrived. It was a well fought war.

Where Are They Now?

GL Updates:

Sarah Butler
Bow Co Group Leader

Hi everyone! I am currently at school in D.C. where I am studying Interior Architecture, but I have also been taking classes in Teaching and Education. Camp has taught me how much I love being with kids and working in a learning environment, so I am exploring my opportunities with teaching and have had a great experience so far. I spend every free moment I have texting or FaceTiming my camp friends, and I never fail to provide them with every single life update that I have to share. I hope you all are doing the same, it is so important to stay connected to your camp friends during the school year! One of my favorite memories from this past summer was watching the Bows perform their dance for the whole camp to see. Although we might have over-rehearsed just a bit, it was amazing to see everyone go all out on the stage and give it their all. I spend every day thinking about camp and all of our amazing memories from last summer. I am constantly reminded about how much The Realm means to me, and I hope everyone takes time out of their day to do the same!

Zach Bohm
Lancer Co Group Leader

"Hey guys, I am currently attending Florida State University in Tallahassee. I'm in my sophomore year and having a really fun time on campus. Now that classes have resumed in person I appreciate my time in the classroom and get to learn face to face. My favorite camp memory has to be winning Green & White this past summer. The whole war we fought so hard and never gave up despite being down every day. It wasn't until night 4 and 5 of color war that we turned the tides and won both of those activities, which eventually led us to a surprising win. There is so much excitement and teamwork involved in the 5 best days of the summer, I can't wait to be back at the Realm for another year and live it all over again."

Jesse Schumann
Saxon Group Leader

Hi everyone! I just started my first year at Williams College, not too far away from camp. I've been doing a lot of hiking in the beautiful Berkshire mountains. It's almost as nice as the view we got at the end of the Scraxon Rattlesnake hike. Can't wait to come back and (hopefully) have more opportunities for off-camp trips.

Anna Hermacinski
Bard Co-Group Leader

Hey everyone! I've been having so much fun being back on campus and taking in person classes finally. I'm studying Physiological Sciences at UCLA, so recently I've been doing a lot of lab work with real human brains! I'm definitely missing camp but I got to give Jester FYA Carly Gimbel a tour of campus recently which was so sweet. I miss all my 31 Bards and the crazy yet amazing energy that they had every day. I cannot wait to see them kill it as Shires next summer!
