THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Robin Hood Campers,

I hope that everyone had a wonderful start to the New Year and that you are all settling back into your school routine. I cannot believe that we have less than 150 days until we are back at our favorite place for our 95th consecutive summer. We have lots of surprises in store for you! In the meantime please take a peek at this newsletter - you will see updates from some of your counselors along with a fun word search and a look back at all the fun you had at the waterfront!

Remember to study hard, be kind to others and thank your parents for sending you to camp. We will see you at the gate on June 24th to begin our 95th summer of fun!

Dear Robin Hood Parents,

Hello from snowy Chicago! I hope that you are all staying warm and enjoying the quiet time that January affords us after a busy holiday season. Please pass this newsletter on to your children - it is fun for them to read about some of their counselors and see what people are up to in the "off-season". Please also share with them the newest change that is currently underway to our physical campus...our infirmary and double decker bunk swap! This will be a HUGE change for our campers! The old infirmary will become a new boy's bunk and the double decker bunk will become the new infirmary. This puts our medical team in the center of the action with quicker access to the waterfront as well as both Boys Camp and Girls Camp. We are all really excited for these new changes and can't wait to be able to share the finished product with you.

Dear Robin Hood Parents, *Continued from Page One*

Over the past 2 years we have had to rethink what summer camp looks like and make many long-term changes all while still maintaining the traditions and values that we hold so dear. So many traditions and friendships have been forged over these last 95 years and I cannot wait to see what the next generation of campers brings to the Realm. The biggest thing that sets us aside from other camps is our staff. We are so fortunate to have so many former campers continuing to lead the way into the future of Robin Hood. Speaking of staff...

The administration is hard at work hiring staff and planning for another amazing summer in the Realm. We are busy hiring counselors and specialty staff, preparing for pre-camp staff training, and adding new activities to our schedule. Lastly we are all excited to be able to attend the American Camp Association Tri-State Convention in March. We will take a few days to learn and grow with our fellow camping professionals from around the country to bring you new ideas and of course more fun!

Love always, *Woody*

Where Are They Now? STAFF UPDATES

MADDIE GOTTSEGEN
Tumblers Group Leader

I am currently in my sophomore year at FAU in Boca Raton, FL where I am studying Elementary Education! I am enjoying the warmth and looking forward to experiencing classroom field work. My favorite camp memory was finding out I had the Tumblers and getting to know each and every one of them. I miss camp so much and all of my Tumbies!! I can't wait to be back in the Realm for my 12th summer!

GABE ZOLOT
Squires Group Leader

Hi I have been spending time with my family over my winter break before I go back to college for the second semester of my sophomore year. At school I am studying Psychology and Spanish. I am most looking forward to being back at camp this summer, seeing everyone at camp and some warmer weather — Ithaca winters are too cold.

OWEN HARRIS
Counselor Tinker/Pager

This year I've been adjusting to life as a college student and writing more academic papers than I ever thought I would, all while counting the days until I can go back to camp! And my favorite memory from last summer was playing soccer in the mud and rain with the TPJs.

OLIVIA SKALA
Quills Co-Group Leader

Hi guys!! Right now I'm attending Miami University of Ohio as a sophomore and I'm studying Psychology and Entrepreneurship. I'm having a blast at school but I miss camp and my Quills so much. I'm most looking forward to having dance parties in the dining hall again! I'm definitely counting down the days until summer 2022. Can't wait to see you all so soon!

What's Happening @ Camp

CONSTRUCTION PROJECTS AND NEW COURTS

Back in October we began construction on the infirmary, which will be converted into a Jr. Boys Camp Bunk. At the same time work began on bunk 19 (The Double Decker) which will become the new and improved infirmary. AND... due to the overwhelming popularity of pickleball, we will be constructing 2 new courts for this summer!
