Our 44th Season

Our 51st Season

ROBIN HOOD for boys, Center Ossipee, N.H. HIAWATHA for girls, Kezar Falls, Maine

This was truly an exciting season for ROBIN HOOD and all his Band of Merry-men. We played and worked, lived and learned, and were filled with fun all the way. The memories of our fun, and the reality of our accomplishments lingers on. What spirit! What a season! What a wonderful summer-time!

Our YEARBOOK for 1971 is in two parts; the first part went out to you already and told the stories of the groups and their activities. This second part is devoted to pictures which will spark in your mind a succession of events and activities, of people and places.

Turn the pages and let these pictures bring to mind the unending panorama of friendships and adventures. Of course you will appreciate the unique and incomparable values all the more as the years go by. But for now, step back in time and memory to last summer, to nature and the great outdoors, to fun and friends, and exult to your heart's content. Your story for the summer of '71 is now history.

Our 1972 season will be very special - our 45th ANNIVERSARY YEAR. As founders of ROBIN HOOD, the Friedman family would like to celebrate with you our forty five uninterrupted years. We take pride in our many years with this great Band of Merry-men. Thousands over this time have shared this glorious summer adventure with us, and many now send a second generation of Merry-men to ROBIN HOOD, and Merrymaids (their daughters) to HIAWATHA, our sister camp.

We look forward to sharing it with you, again.
