THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

## Hello Robin Hood Campers!

As winter descends upon Cleveland and Chicago, we cannot help but think warm thoughts of Robin Hood summers.

We want to thank everyone for helping to make the New York reunion a major success. It was such a great time to reconnect, even dressed in our regular clothes. Admittedly, we feel more comfortable in our Robin Hood gear. We hope everyone is enjoying their yearbooks and reliving the summer of 2016.

Looking back on the summer, we have only the fondest memories and joy for that which we accomplished. As a Robin Hood family, we got so much out of The Realm. Over 150 new campers from near and far now call Robin Hood their summer home. Diversity at The Realm is one of the many things that makes it so special.

Robin Hood's 90th summer feels right around the corner and we're so excited for what's to come. We broke ground on a new bunk in Girls Camp which will ultimately lead to a brand-new Girls Camp Quad. We've ordered some more toys and playthings for the waterfront, in addition to a new waterski boat. As always, we have some surprises up our sleeves.

We wish you all a healthy and happy holiday season. We are so thankful for our Robin Hood family. Remember to study hard and thank your parents for allowing you to spend time with us in The Realm each summer. Going to sleepaway camp is a privilege we can never take for granted.

Best,  
DC & Woody

# Where Are They Now?

Check out what our staff are up to!

**MONTANA BLACK:** Since camp I have been working hard in the little town of Antigonish, Nova Scotia at St. FX University. I have decided to major in Accounting and minor in Visual Art. *My favorite memory of the summer was canoeing to the marina on the last day of camp with the Quills.*

Montana

**SEAN DAVIDSON:** After camp I did a little bit of traveling going to Boston, Tampa, Orlando and Atlanta. When I got home (Glasgow, Scotland) I went into my last year at college studying Sports Coaching & Development. *My favourite memory of camp definitely had to be going on Excursion with Lancers!!!*

Sean

**JAMIE LEVINE:** I've been studying architecture and design in Barcelona, Spain for the past three months! On the weekends I travel around Europe, and I trying to meet up with camp friends as often as possible! *Top three best camp memories of the summer: 4th of July (feat. Chuck's golf cart uber rides), Gwen Stefani concert (because I aint no hollaback girl), and Green and White #rollTribe.*

Jamie

**JACKSON POLLOCK:** Since the summer ended, I have been going to school at the University of Miami. School has been pretty uneventful other than experiencing my first hurricane, but I'm okay! School is going well, and I have about two weeks left of class and finals until I come home for winter break, which I am looking forward to. Although these 10 months go by pretty slowly, we have the 2 months of camp to continually look forward to through the good and bad times. *My favorite memory from camp is from the last day. There was some extra time before Awards Night, so we (the Squires of 2016) went down to the waterfront to watch our last sunset of the summer. It was probably the best sunset of the summer, displaying all of the vibrant orange and yellow colors over Broad Bay and the distant mountains. This will be a memory I will hold on to for a long time to come.*

Jackson

**MIKEY BROCKMANN:** Since camp has ended I have been attending school at DePaul University. I just finished my first semester and things are going really well. I can't wait to get back to The Realm and see everyone. *My favorite memory this summer was playing an intense late night game of volleyball with my campers.*

Mikey

**BECCA LIGHTMAN:** These days I've been doing some exploring around Vermont and playing cello. Right now I'm wrapping up my first semester of sophomore year and getting ready for final exams. *My favorite memory from summer 2016 was when all the Tumblers went stargazing at the tennis courts on the last night of camp.*
