# Camp Robin Hood The Wood Chuck

THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

# Hello Robin Hood Campers!

We hope that you had a wonderful holiday season with your family and friends! It is hard to believe that it is already January 2018! Opening day will be here before we know it. This year marks Robin Hood's 91st summer and soon we

will all be back in the Realm enjoying everything camp as to offer. Lizz is starting to plan the excursions, beach day has been chosen and the Green and White break is going to be amazing!!!

The NYC reunion was a major success as over 175 of us got together to relive the summer of 2017. It is always so exciting to see everyone in the winter. We hope by now you have all received and are enjoying the yearbooks.

Les and his team have been continuing their hard work back at camp. The upper basketball court has been leveled out, flattened, and will be ready for some intense basketball by opening day! Meanwhile in girl's camp a new bunk is being built. The walls have been raised, the floor has been put down put down and the roof is taking shape.

During these long, cold, and snowy winter days the memories of CRH keep us all going. The amazing sunsets and crazy dance parties are stored in our memories and help get us through the off-season.

Study hard, keep in touch and remember to thank your parents for allowing us to spend our summers together at the most magical place on earth!

Best, DC & Woody

## Where are they now?

Hello Camp,

Camp has been a part of my life for 8 Summers, 5 as a camper, and 3 as a counselor. I've been so blessed by this place and feel lucky to share such strong traditions and gain lifelong friendships with my friends and the campers I get to watch over. It seems like just yesterday we were all settling in on our first few nights at Robin Hood's 90th summer. Now we are 165 days away from camp starting up again. I am currently living in Chicago, Illinois, as I

attend DePaul University. My major right now is Finance and I've been involved in a lot in my short time in Chicago, whether it be intramural sports or various clubs my school offers. I just got back from my winter break where I was home and got to see a lot of family. Overall, I've been busy throughout the year, but cannot wait to come back to camp and see everyone and jump right back into things, like we never left. Just wanted to wish everyone a belated Holiday and a Happy New Year!!

#### Sarah Woodstein - Group Leader

Hi everyone! I just completed my first semester at Michigan State University where I'm studying elementary education, with a focus on urban development and social studies. I've been getting involved on and off campus with working in local schools and joining clubs! Being in Michigan reminds me so much of camp being surrounded by so many beautiful trees (not as good as camp trees), lakes, and hiking trails. College has been amazing so far, but I still find myself talking about camp 24/7! Entering 2018 means that we're getting even closer to camp and I could not be more excited!

Favorite camp memory: My favorite memory of the summer was waking up early in the morning on the third day of camp to go pajama jumping followed by breakfast at the waterfront! I miss my Bows like crazy!

Do you have a "Remember When" from the summer that you would like to share? Send us an email with your favorite memory to info@camprobinhood.com. Attach a photo if you have one. We will feature your "Remember When" in upcoming newsletter publications.
