THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Robin Hood Families,

As the first snow begins to fall here in December, my mind keeps returning to the magical summer of 2020. I hope by now everyone has memorized the yearbook and thinks about the 93rd summer season at Camp Robin Hood with great gratitude.

So many people worked so hard to make it happen. The greatest staff ever assembled answered the call each and every day. They gave up so much to help create and protect our "bubble." The planning and execution from Michelle, Chuck, Diane, Scott, Peter, Wendy, Rick, Jonas, Josh, Yensi, Carlos and Lizz allowed Arash and Katie to achieve the impossible. An all-star team in every way! As promised, the summer of 2020 will never leave our memories. We will talk and reminisce about the carefree days and fun we experienced together for many decades to come. Each one of us did what was needed while respecting each other and respecting the science.

A GIANT thanks to all and happy to say that camp opens in 194 days...

Love always,
Woody

2020 Remember When's

Opening Day

A day we were not sure was going to happen and it was hard to contain our excitement.

Beach Day

We may not have been able to visit Ogunquit Beach this summer but that did not stop us from bringing Beach Day to the shores of Lake Ossipee!

The Unmasking!

The day we had all been waiting for... Arash announced that we had all tested **NEGATIVE** and it was time to take off our masks!

July 4th

or 4th of Jul-Seventeenth! We celebrated the 4th of July a little late this summer on July 17th. It was a fitting day to celebrate since we were able to remove our masks that morning!

Halloween

A first for Robin Hood. Everyone got dressed up in some very creative costumes. We paraded around camp and collected candy along the way.

GL Updates: Where Are They Now?

Forming a “bubble” and being COVID free this last summer was extremely exciting, and we are so fortunate to have had that opportunity! One of my favorite moments from the summer was the all-camp beach day with the boardwalk, gold rush, and beach party!

After camp ended, I eagerly waited two weeks to head right back up to camp. Semester at Camp was an amazing, once in a lifetime experience that I will never forget! I met tons of new friends and created long lasting memories. Now that I am home, I am counting down the days until next summer!

Ricky Melasecca
Tinker/Pager Group Leader

Since camp ended, my focus has been on my first year of college. At the end of August, I moved onto my college campus and have been here since. My online classes take up most of my time, but I spend the rest of it with friends and adjusting to college life, especially during the pandemic. It has been nice to have many camp alumni, including my brother and a fellow Saxon of 2018, here with me to get through it all. College has been a great experience so far, but I will never forget the unique memories I made this past summer at camp. Sharing a safe summer with the TPJs and having a sense of normalcy in activities and in making connections in the Realm was a much-needed break from the stresses of our current world. It was a privilege to be a part of the summer of 2020, and this unprecedented year has just confirmed that the Robin Hood community will always remain a safe haven for all of us.

Brendon Keady
Archer Group Leader

Since leaving the realm this past summer, much has transpired. I have recently started my job as a graduate assistant for the admissions office at Saint Joseph's College of Maine. I will be taking this time to work towards acquiring my Master's Degree in Business. I absolutely miss Robin Hood and I will always remember this past summer 2020 fondly. How could I forget my first summer as a group leader?! I loved the responsibility and I look forward to the coming camp seasons.

Jester Co-Group Leader

Hi everyone! After camp, I headed to Hamilton, New York for my sophomore year at Colgate University. I am studying film and education, while staying involved with clubs and tutoring students at a local elementary school. I love virtually reminiscing about the amazing accomplishments and memories from the summer with my camp family! My favorite memory was when we finally found out we were all COVID free and could fully reunite! I miss everyone so much, especially the 2020 Jesters. I hope you are all having a great year, and I can't wait to see everyone in the Realm so soon for summer '21!
