THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Robin Hood Parents,

I hope everyone had a Happy New Year and is getting as excited as I am for Opening Day 2020. I cannot believe that there are only 145 days until we meet again at the gas pump.

I have been crisscrossing the country to meet with new families and catch up with current ones. It's always amazing to hear everyone's stories about last summer and to share our love for all things Robin Hood. We are all so lucky that the Realm is our summer home.

Meanwhile, we are full steam ahead preparing for the start of camp. Scott and Diane are busy hiring counselors for the upcoming summer while Michelle is coordinating plans with all our former campers to round out our great staff. Lizz and Katie are interviewing staff for our infirmary and office.

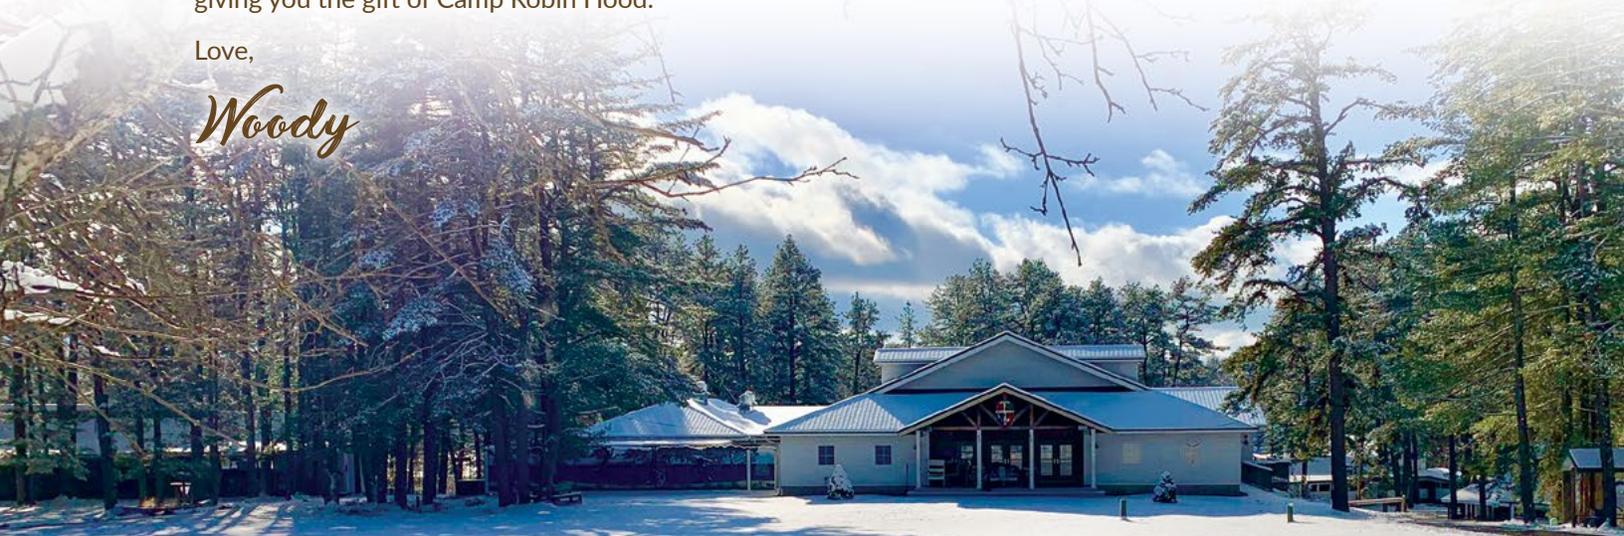

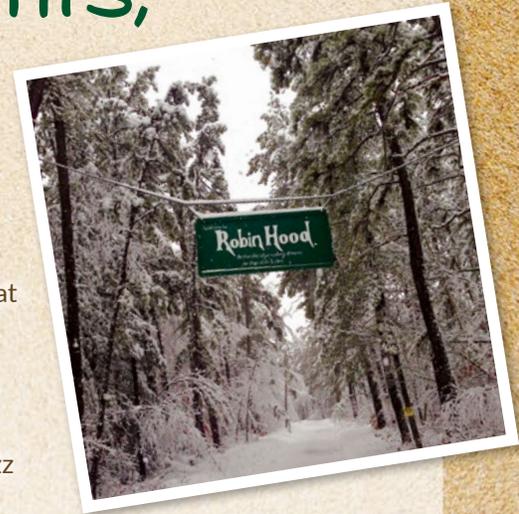

No matter where I go or who I talk to, every conversation leads to one of the true things about Robin Hood: Our staff is the best in the camp business. This is not by accident and we work hard to make that happen. Chuck and Michelle are working on pre-camp agendas already. Our goal is to train each and every counselor to provide a safe and happy world for each and every camper. We expect them to invest 100% in the campers' experiences.

Jonas and Julia are already planning the color war break. I'm not sure how they will ever top last summer, but I'm confident that they will. The Busses have been ordered for Beach Day and excursions. Plans are cemented for our July 4th Extravaganza. And I promise we have some big surprises up our sleeves that I look forward to announcing in our dining hall!

Just as we're working to get your home away from home ready for you, you've got some work to do. Study hard at school, be kind to each other and everyone you come across, and say thank you to your parents for giving you the gift of Camp Robin Hood.

Love,

Woody

2019 Remember When's

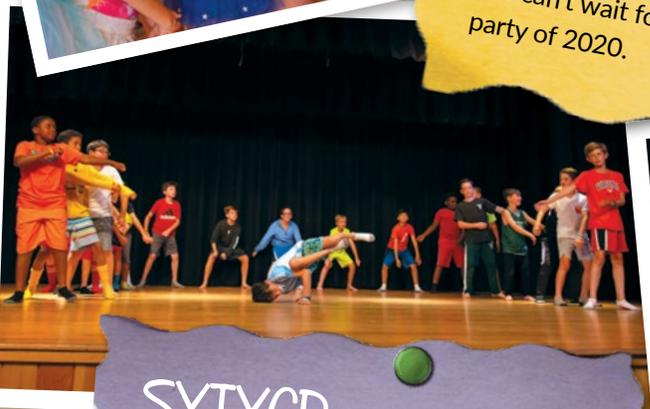

Founders Day
How fortunate we are to be able to spend our summers in our favorite place. Meredith Friedman, Andy's Granddaughter, joined us to help celebrate and even surprised camp with a Green and White fake break.

Color Run
A new tradition at Robin Hood, we ran from color to color before jumping into the lake for a refreshing swim.

Dance Parties
Who doesn't love a good dance party! Whether it was in the dining hall or the theater, you guys danced your way through summer. We can't wait for the first dance party of 2020.

SYTYCD
Speaking of dancing! You all rocked the stage with your unique dance moves and camp flare.

Robin Hood Gives Back
What a busy day we had learning about Give Kids The World, making bracelets and writing letters to ill children. Andy would be so proud of our efforts to give back to those less fortunate than ourselves.

GL Updates: Where Are They Now?

Maren Butler
Shire Group Leader

Hi everyone! I am finishing up my semester abroad in Rome, Italy and will be headed back to study business at Babson College after the holidays. Even though I was far from home, I was so lucky to have one of my best camp friends Ava with me to travel the world together! Sending lots of love to the Shires and I hope everyone is having a great school year! Missing everyone like crazy! GO GREEN GO!

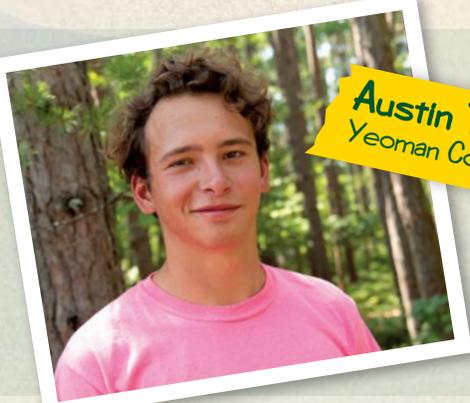

Kendall Brown
Quill Group Leader

My name is Kendall Brown and I was thrilled to be Arrow Group Leader this summer. Since August, I relocated to merely two hours south of Freedom: Boston. Here, I study Psychology at Boston University (go terriers), and during my free time, I work as a Research Assistant in the Social Learning lab. I get to play and work with children on a daily basis—so it's almost like camp—but I still miss everyone and The Realm dearly!

I am currently gearing up to travel to London, where I will be studying abroad for the duration of the semester. I will take classes, intern, and travel, but I am by far most excited about my camp friends coming to visit! I hope you are all having a great year. Caio, Au Revoir, or as I've heard they say in London, "Ta-ta!"

Austin Terowski
Yeoman Co-Group Leader

Hello everyone! I just started my freshman year of college at the University of Miami where I am focusing on economics. I have been actively engaged in numerous club opportunities and have become well acquainted with my new college expectations. While I could not be at the New York Reunion, I hope to see everyone soon. Have a great rest of the year!

Skiunion: RH Staff Mini Ski Reunion

In December some of the specialty staff got together for a "skiunion" in Bulgaria. They enjoyed spending time together, catching up on what is going on in their lives, shredding the mountains, and of course reminiscing about camp.

Have you had a mini reunion you would like to share with us?
