THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

## Dear Camp Robin Hood Families,

With opening day almost 90 days away I couldn't be more excited for a summer than I am for this one. I was at camp last week setting plans in motion for this season. We are putting in some new courts/fields and other surprises that will await us all on opening day. Although the lake was still frozen solid, I know we will all be enjoying our perfect beach setting soon.

After last summer's success we have raised the bar to achieve even greater heights in 2021. It all starts at home with all of you campers. Do the work before camp opens to ensure another amazing summer. Even as many more things open remember to be smart and stay away from any setting deemed inappropriate for pre-camp behavior. Just be smart and respect your fellow campers and staff members. We proved last summer what it takes to open camp safely and I am sure all of you can't wait to be back in the realm for our 94th consecutive summer.

*Be kind to each other and let's count down the days until we are all together once again...*

## GROUP LEADER check-in...

**Peter Cohen**  
JUGGLERS GROUP LEADER

Hi everyone! It's Peter here. I'm writing from St. Louis where I am a freshman at Washington University. I am in the middle of midterms, so I have been working hard, but fortunately, it has been really nice out, so I have also been spending a lot of time outside. I am still getting used to living here and meeting new people, but it has been great so far. There is not a lot of water around here, so I think the thing I miss most about camp is hanging out at the waterfront. I miss you all a lot and cannot wait to be back in the realm next summer!

Hi Robin Hood Family! I am currently in the middle of spring semester of my junior year at San Diego State University. All of my classes are still online, but I spend my free time going to the beach, hanging out with my friends, and looking forward to another amazing summer in the Realm. I am so excited to see everyone and welcome our new campers and staff to the best place on earth! I can't wait to feel safe in the camp bubble once again!!! See you all soon!

**Dana Levine ~** QUILLS GROUP LEADER

Hi everyone! I'm currently a sophomore at Syracuse University studying communications design. On campus, I'm involved with Greek life and I've recently started working for the campus Music Magazine. This has definitely been a crazy year for everyone, but the light at the end of the tunnel is in sight! I hope everyone is staying safe and healthy, and of course getting excited for summer 2021! Can't wait to see you all so soon!

Hi everyone! Since leaving camp I have been doing all online college from my apartment in DC. It's definitely tough but looking forward to the summer with you all is what is getting me through! The weather here has been getting a bit warmer, so spring seems to be on the horizon! I've been going on nice walks outside and spending time with my close circle, and of course, staying safe. I talk to my camp friends all the time to reminisce on last summer and how excited we are to be back at the realm. Every time I think about the day Arash announced we were all negative, I get goosebumps. Missing you all so much and can't wait to have the most safe and amazing summer in the camp bubble with you all!!
