THE OFFICIAL CAMPER NEWSLETTER OF CAMP ROBIN HOOD

Dear Robin Hood Parents,

It was great to see so many of you at our first NY Reunion since 2019. We spent the time bowling and catching up with our camp friends that we haven't seen since August. Of course we were also able to debut the 2022 yearbook and end of the year video. You could hear a pin drop as everyone paid close attention and we were immediately transported right back to camp and to all the fun we had in the summer of 2022. Seeing all your faces light up with joy as you thumbed through the yearbook made me smile. Everyone should have received their yearbooks by now and I hope you have taken the time to enjoy it.

There are some great projects in the works at camp and I can't wait to share them with you as the summer of 2023 gets closer. I hope that you and your family have a wonderful Thanksgiving and Holiday season. Remember to thank your parents for sending you to Camp Robin Hood and do something kind for someone else today.

I look forward to traveling around the country in the coming months, as I recruit new campers and visit with our current campers and alumni.

My Best,

Woody

TINKER/PAGER GROUP LEADER

My second year of college is going well so far, my classes and friends are all really great! I miss the TPs a lot though. My favorite memory with the TPs from this summer was definitely when we played griddy tennis with Jules. I don't think I laughed harder all summer.

Maggie Shanahan
TUMBLER GROUP LEADER

Hi Robin Hood!!! I'm in my sophomore year at Syracuse University, studying psychology and sociology. I miss camp so much, especially the Tumble Jungle. My favorite memory from last summer was hanging out with the tumblers before revelry in girl's camp. We always had such a silly time and then got to walk to the flagpole together... one of my favorite spots. I miss everyone so much and can't wait for summer 2023!!!

Jack Shanahan
LANCER GROUP LEADER

What's up everybody. I'm currently at Trinity College Dublin working through my second year studying English and Philosophy. The workload can be tough but it's been nice being able to look back on some of my favorite memories from camp like rainy handball with the Lancers, sitting duty for the Foresters, and blitzball with Scotty Rimer. Hope everyone is having a good fall.

Ruby Tower
QUILL GROUP LEADER

Hi everyone! I am currently in my junior year at Binghamton University and I am back into the swing of classes and schoolwork studying for my Masters in Public Administration. I am loving school with my friends and my classes, but I miss camp and my Quills so much! I'd do anything to watch the sunset on the waterfront with all 33 of them and reminisce on the summer.
